PRESS RELEASE

The J. L. Becker Co. is pleased to announce the appointment of Ron Bryant as their sales representative for the Southeastern U. S. Ron, a graduate metallurgist, will be based out of Greenville, South Carolina.

Ron joins us with over 35 years of heat treat experience, most recently serving as Manager of Heat Treat and Metallurgical Services for Borg Warner's Muncie, Indiana transmission operations. Prior to his 20 years with Borg Warner, he held positions at GM, Eaton, Rockwell Int. and Gardner Denver.

His in-depth understanding of heat treat processes will help us provide furnaces and services tailored to the unique needs of our customers.

The J. L. Becker Company is a manufacturer of Continuous Belt Furnace Lines, Brazing Furnaces, Box Style Furnaces, Integral Quench Furnace Lines, Endothermic Generators, Exothermic Generators, Quench Oil Coolers and all auxiliary equipment.
